To start the editorial processing of your article in the **Arta Medica (AM)**, we kindly ask the author or corresponding author to fill in, sign, scan and send this form together with the article when you [Start a New Submission](#).

With this the author or corresponding author certifies that he personally and co-authors accept the responsibility for the content of this article and he/she agrees with Editorial roles.

We kindly ask the authors to read our website www.artamedica.md and strictly follow the directions of the Publication Ethics and Malpractice Statement.

The signature provides evidence about the mutual understanding between the author(s) and the **AM** on the rights and responsibilities of both parties in the process of article evaluation and its possible publication in the **AM**.

Herewith, I confirm that I am the owner (or authorized to act on behalf of the co-authors) of the materials used in this article, and thus I render the permission to use it to the **Arta Medica**.

Herewith, I confirm that I am aware of the:

- Submission and Publication procedure,
- Reviewing process,
- Plagiarism policy,
- Privacy statement,
- Conflict-of-interest statement,
- Open access statement,
- Licensing terms,
